## Ultra Encrypt and Ultra Safe

### Rack mounting specifications

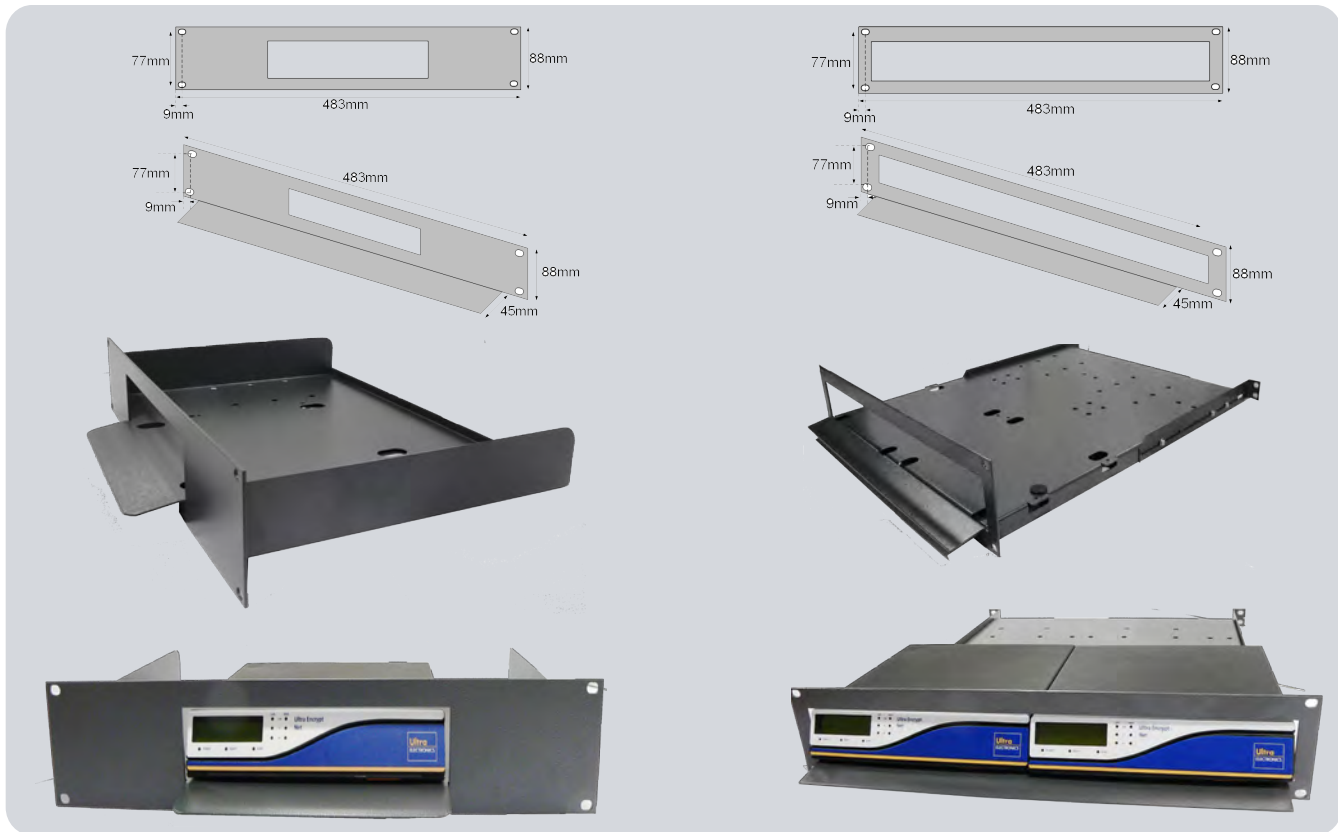

Depending on the model ordered, the rack mount kit can be assembled to create a shelf that can be installed in a 19in rack or cabinet to house either one or two Ultra Encrypt or Ultra Safe units and associated power supplies and cables. The rack mount kit consists of all the parts, screws, nuts and assembly instructions required for the installation. The kit does not include units, power supplies and cables.

#### FEATURES

- 2U, 19in, rack mounted shelf
- One or two units per rack mount shelf
- All parts necessary for fitting are included
- High strength metal construction

## Product Information

## Specification

Weight	Single unit shelf	2.6kg
	Two unit shelf	4.2kg
Assembled shelf dimensions (excluding the front panel and rear side mounting brackets)	Single unit shelf	300mm deep, 439mm wide
	Two unit shelf	570mm deep, 439mm wide
Front panel dimensions	483mm (W), 2U (H) Note: 1U = 44mm The front panel has a cut out through which the front of each unit is visible and the keypad is accessible.
